Our History

Wythe County Public Schools Foundation for Excellence was formed in 2004 with the goal of raising private funds to support educational enhancements for Wythe County Public Schools. The Foundation for Excellence has successfully raised over \$3 million dollars towards that purpose. The Foundation raises funds through direct fundraising, grant writing, events, and the payroll donor deduction program.

The Foundation for Excellence partners with the community and Wythe County Public Schools to ensure students are empowered with the knowledge and skills necessary to meet the challenges of the future.

On behalf of the Board of Directors of the Foundation for Excellence (FFE), **thank you** for helping us begin another successful school year. In the 2017-2018 school year the FFE was able to raise over \$177,000. This money was provided directly to schools in order to support educational excellence.

Congratulations to

“Mrs. Lea Monday”

on winning a \$500 Classroom Grant at Wythe County Public Schools Opening Session. Mrs. Monday was one of the first individuals to join our Payroll Donor Program. Thank you!
